

HABITAT & ATTRACTANTS

LILY PAD® FLOATING MARKER

Assembly Guide

What You'll Need

- 6 Half Cinderblocks or Bricks to anchor

Contents

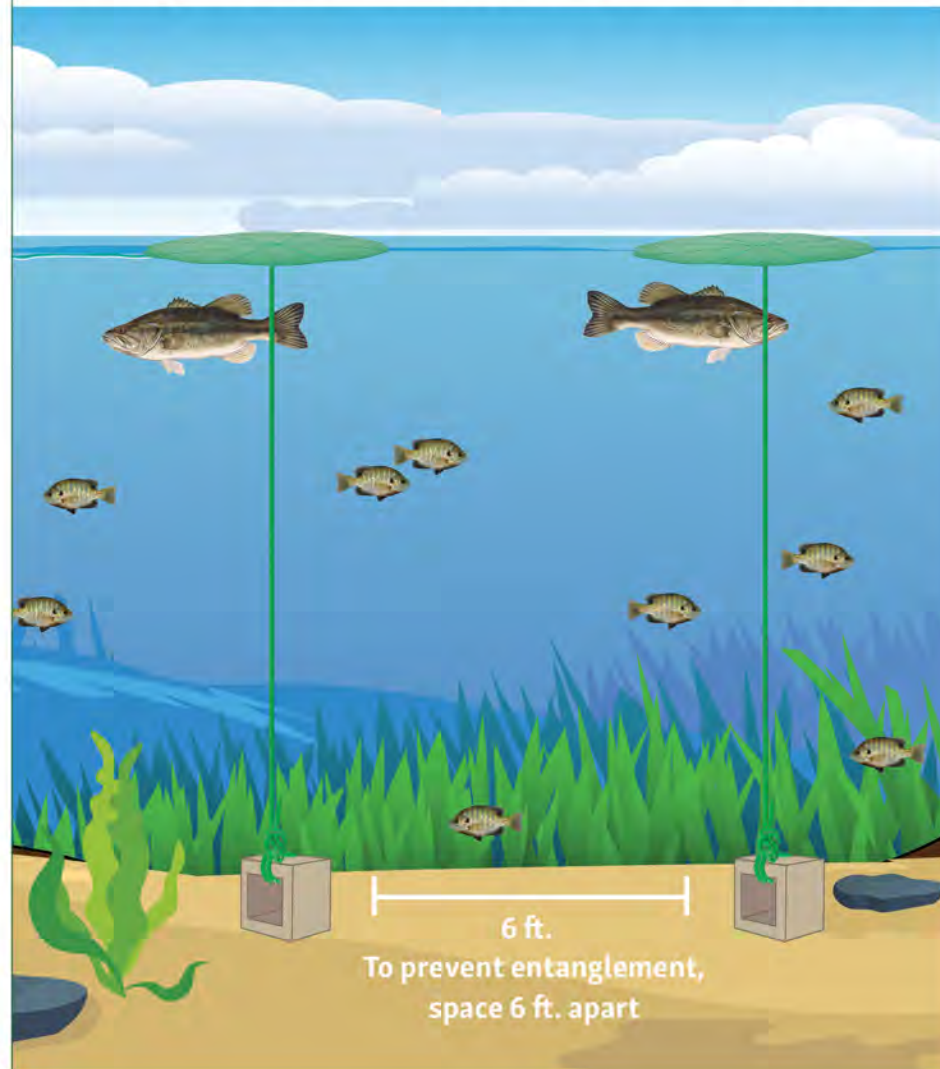

- 6 Lily Pad® Markers (18" x 19")
- 6 Marine Bungee Cords
- 6 Eye Bolts
- 6 Lock Nuts

Note: Marine Bungee cords will adjust to fluctuating water levels. Install with slack or tension based on the current level of the pond or lake.

PATENT PENDING

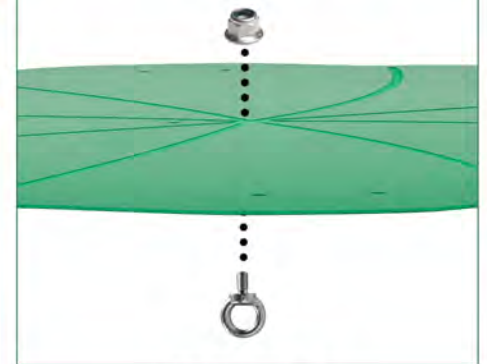

Lily Pad® Marker with Anchor

STEP 1

Attach eyebolt to smooth (bottom) side with lock nut on top. Do not over tighten so eye bolt will swivel.

STEP 2

Tie half cinderblock or brick to one end of marine bungee cord. Adjust length to water level and tie off to eye bolt.
